

TSS572CA | Targus 11.6" Banker Sleeve (Bone White)

The Targus Banker Sleeve is designed to provide additional protection for tablets, Ultrabooks and Macbooks especially when transporting the device inside of another carrying case. The scratch-resistant lining keeps the device free from scuffs while the exterior fabric is both water and wear-resistant. Reminiscent of the classic banker case, the Targus Banker Sleeve includes an integrated ID holder and contrasting design accents.

Designed to protect up to 11.6" MacBooks/tablets/Ultrabooks from scratches and scuffs

Ideal when carrying your laptop to and from meetings; Provides an additional layer of protection when transporting the laptop in luggage or another carrying case

Constructed of weather-resistant neoprene material and scratch-resistant lining
